Cell phone: (+54 9 11) 2345 1675

I've studied Industrial Engineering and worked in the electrical distribution sector for +6 years.

Switching to Web Development. Also interested in AI.

I look forward to joining the IT world and contributing to a team.

I'm from Buenos Aires, Argentina

You can see my portfolio: <https://nico-bt.github.io/portfolio/>

WORK EXPERIENCE

2013 – 2020 Edenor - Electricity distribution company in Argentina

Technical Operations Supervisor

Direction and supervision of work crews for repairing failures in low (220-380 V) and medium voltage (13,200 V). 30 people in charge.

The main objective was to maintain and provide service in departments of San Isidro and Vicente López (+220.000 clients).

2012 Moura Argentina - Battery factory.

Product and Process Engineering

Control and update of process parameters and engineering documentation.

2011 IECSA - Construction company. Area: Gas pipelines.

Technical Office
